

CALL FOR PAPERS – ISSRA PAPERS - 2021

Introduction

'ISSRA Papers', the only category 'Y' Journal of Governance and Public Policy in Pakistan, has established its reputation for publishing robust and quality research papers. The journal has a panel of highly qualified and seasoned reviewers, both local and international. It has been our persistent effort to further improve the standards of our publications and thereby the overall quality of research at NDU. With this premise, we invite researchers to come forward and contribute their papers to ISSRA Papers, which we assure, are always selected on merit.

Scope of the Journal

1. ISSRA Papers primarily deals with research on **Governance and Public Policy** issues carried out by the researchers, faculty and students at NDU and affiliated Colleges. Some of the subjects of ISSRA Papers are as follows:-
